

Océ TDS750 multifunction system

Rising above

Fast, easy, dependable large format system

Rise above your current large format capability with the Océ TDS750 multifunction system. Print, reproduce, and scan technical documents faster and easier, with higher quality than ever before. The Océ TDS750 is ideal to address the demanding deadlines required in a peak performance departmental print setting or a productive, central print room environment. Based on the multi-award-winning Océ TDS700 multifunction system, the Océ TDS750 multifunction system can provide long-lasting performance and consistent results for years to come.

Canon
CANON GROUP

Fast—productive, peak performance

The Océ TDS750 multifunction system provides fast print output from a cold start with the instant-on behavior of the Océ Radiant Fusing technology. Receive over 27 D-size prints, before others have even started printing. Meet the most challenging deadlines with the consistent 9 D-size prints per minute even when printing mixed sizes. Scan and copy as-builts, color markup, and other technical documents in one quick and easy step for immediate archiving and distribution.

Easy—intuitive, ergonomic features

Everything in the Océ TDS750 multifunction system, from media roll placement to output delivery, has been carefully designed with the user in mind, making it ergonomic and intuitive. The green button scanning offers great quality output at the touch of a button without the need for troubleshooting. Thanks to the low noise, ozone, and heat emissions of the environmentally-friendly Océ Radiant Fusing technology, the Océ TDS750 multifunction system can be comfortably placed within a departmental print setting.

Dependable—quality and reliability

The Océ TDS750 multifunction system is built to last with durable, hard wearing parts, providing dependable uptime with fewer jams and service calls. With advanced Océ print and scan technology, users can have confidence that the print/copy/scan quality of even the most demanding architectural and engineering renderings will be consistent and at the highest level. Based on the proven Océ TDS700 multifunction system with thousands of satisfied customers worldwide, the Océ TDS750 multifunction system can provide dependable performance for years to come.

Printing for Professionals

General	
Description	Productive wide format black & white print/copy/scan system with color scanning
Technology	LED—Océ Radiant Fusing technology with organic photoconductor and closed toner system
Speed	Black & white: 9 D-size/min.
Warm-up time	Instant on
Configurations	Printer or multifunctional with choice of 2 scanners Multifunctional with 1 scanner and up to 5 printers
Roll options	Default: 2 rolls + Cut sheet tray, expandable to a maximum of 6 rolls
Output delivery	Compact and ergonomic Top delivery tray supporting up to 100 collated plots (other options available)
Certifications	EPA ENERGY STAR®, TüV GS, CETECOM, CE, UL, cUL CB, FCC Class B, RoHS
Printer	
Print resolution	600 × 1200 dpi
Paper capacity	Up to 650 ft. per roll, maximum 6 rolls
Output sizes width	8.5" × 36"
Output sizes length	11" to 490'
Paper weight	20–24 lb.
Media type (www.mediaguide.oce.com)	Plain paper, recycled paper, colored paper, transparencies, film, and vellum
Controller	
Controller type	Océ Power Logic® controller
Memory	Standard 2 gb
Hard drive	2 × 250 gb
Page description language	HP-GL, HP-GL/2, TIFF, JPEG, DWF, Adobe® PostScript 3®/PDF CALs-I, NIRS, ASCII, CalComp, C4
Scanner	
Scanner type	Océ TC4 scanner with Océ Direct Scan color technology (single camera, single mirror)
Scan resolution	Optical 575 dpi, maximum 600 dpi
Scan speed	Black & white: 2"-3.3"/sec. (3–5 m/min.) Color: 0.7"–2.8"/sec. (1–4 m/min.)
Scan format	TIFF, PDF/A, JPEG, CALS, multi-page PDF/A and multi-page TIFF
Scan destination	FTP, Network Directory, Controller
Original size width/length	8"–40" / 8"–72'
Original thickness	Up to 0.12" (3 mm) ; Optional scanner up to 0.59" (15 mm)
Scaling	10–1000 %
Preset modes	Lines & text, Photo, Grays & lines, Dark original, Blueprint
Print, copy and scan workflow	
General workflow	Concurrent print, copy, scan and file processing
Submission	Océ Print Exec® Basic software (standard)—web-based submission or Océ Publisher Select software
Job management	Securely monitor and manage system status, settings, network configurations, and updates at the printer or from a remote location View, monitor, and manage print and history queue with secure controller access/rights
Accounting	Océ Account Logic software (standard), Océ Account Console (optional)
Templates	5 copy templates, 5 scan templates, unlimited print templates enables recurring tasks to be performed at the touch of a single button
Options	
Hardware	Océ TC4 wide format color scanner; Océ TDS600 productive wide format scanner; online folder; copy delivery tray; Océ Double Decker Pro stacker; roll loaders to reduce back strain while loading heavy media in the lower drawers
Software	Express software bundle—includes common workflow requirements such as scan-to-file capability (color, grayscale, and black & white) Professional software bundle—provides features for enhanced productivity such as faster scanning speed and Adobe® PDF capability Adobe® PostScript 3®/PDF Océ Repro Desk® Suite software for printing to multiple wide format devices, viewing, and cost tracking

Creating global leadership in printing

Canon and Océ join forces to create the global leader in the printing industry. For our customers this combines Canon and Océ technology with the support of the Océ direct sales and service organizations. Look to the new Canon-Océ combination for:

- Enterprise printing in the office and corporate printroom
- Large format printing of technical documentation, signage and display graphics
- Production printing for marketing service bureaus and graphic arts
- Business Services for document process outsourcing
